

THE 'SNOW' NEWS EDITION (sorry had to be done!)

IMPORTANCE OF COMMUNICATION

As this week has highlighted it is really important that the school can contact you in case of an emergency or other information we need to get to you quickly.

We hope that you have received the notifications set to you by text, Facebook updates, Parentmail and our websites - apologies to St Bernard's unfortunately, the news feed has stopped accepting new items. This will be looked at when the offices are open again.

If you have any feedback on how information on school closures was communicated to you please email: marketing@lwf.lincs.sch.uk and it will be reviewed alongside the questionnaires you have been kindly returning.

We are looking into how we can use Parentmail more effectively for communication and payments, as particularly the app can be an efficient tool—step by step training will be made available as and when this happens.

WORLD BOOK DAY

We plan to still celebrate this so the enjoyment of creating costumes won't be wasted. Please look out for further information by letter and/or Parentmail.

Keep us up to date so we can keep you updated

Please let your school know as soon as possible if you have had any changes to your address, phone number, emergency contact numbers; email address etc.

MAKE SURE YOU ARE HEARD!

Have you completed the SEND questionnaires yet?

We have had some great feedback on the proposals already but there are only 12 days left of the consultation and it is an important decision that needs everyone's input. Therefore please answer the short survey (should take no longer than 5 minutes) and encourage your child to have their say at the Lincolnshire County Council website www.lincolnshire.gov.uk/SENDcommunities

If you still have questions please come to our Q&A coffee morning at St Lawrence on Friday 9th March 10am—12pm

St Lawrence on Wednesday

DATES TO REMEMBER

30th	Good Friday		

THE SNOW'S GONE BUT...

We really try to use our outdoor space all year around but now it is cold, muddy season.

Please send extra shoes or wellies (with names inside) for children to change into when they go outside as well as warm clothing, hats, gloves etc.
