## Finally it's Gardening Weather

Now that the weather is becoming nicer, in Maples we are working at creating a kitchen garden.

Over this last week we have set Basil, Parsley and Chives into planters, we hope to expand our garden over the summer to include vegetables.

We learn about the process of living things, from a seed into a plant. We set routines to remember to water the plants and help them grow.

Using an old trellis we made

a bird table, we cut the point off the top to make a flat surface.

We stabilised this with a flat board, cut lengths of wood to attach to the bottom of the bird table to make it more secure.

The next addition is to make a pointed roof for the top, then it will be

ready to paint.

## London 2018— Awesome!

Just before the Easter holiday, our year 11's were taken on a fantastic London trip, which we try to do annually with the help of Happy Days Children's Charity.

A lot was packed in over the 4 days including new experiences for the staff as well as the students. Our students were in awe of London with

its vibrant and busy life style.

We visited the Shrek

Adventure, and had a cruise on the river Thames for the students to see some of the historic sights of the city.

Some of our students didn't want to go on the London Eye but once they got in the pod they were amazed by the views and what they could see.

One of the organised evening events was the School of Rock which was a posi-

tive experience for all.

Whilst walking through St James's Park heading towards Buckingham Palace we were

lucky to see the changing of the guard something our students will never forget.

Our students supported each other and were very mature while walking through the busy streets of London.

## The Importance of Work Experience

Work Experience offers students the opportunity to see that there are a variety of options available to them after school.

Tesco offered Ollie a WE place, and he is loving his work but it is also fantastic for independence training as he walks to work and back on his own!

## Music & Arts Performance

We would like to invite you to our performance at the "Freedom" themed Art and Music Festival on

**Tuesday 8th May**

**10.30 to 11.30**

**St Mary's Church, Horncastle**

Refreshments will be available

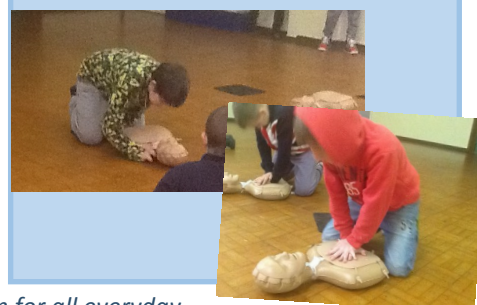

We are also contributing the longest paper chain

## Life Savers

British Heart Foundation have set up an initiative with schools, workplaces and community groups to inform as many people as possible how to give CPR.

On Thursday, class 4 had lessons on how to react in an emergency.

## LWF would like to use less paper!

One way of doing this is to use ParentMail for all our communication to parents.

If you are not registered or not sure if you are please call Jo or email her at [jo.horrocks@lwf.lincs.sch.uk](mailto:jo.horrocks@lwf.lincs.sch.uk)

Using the FREE ParentMail App means everything is kept in one place with instant notifications direct to your phone or tablet.

Download for free from

When you shop online we can collect free donations from the companies you shop from. 3,000 retailers are signed up including Amazon, John Lewis, Tui, major supermarkets and insurers, including comparison sites...
