A TASTE OF THE JOB MARKET

Across our schools we have a variety of tasks that we give students the responsibility to carry out. This year we have decided that the students should also be responsible for volunteering their own services and so job descriptions have been created and interviews arranged.

This week, the position of Admin Assistant: Post Distributor was advertised to deliver home-going post to classrooms across the school on behalf of the receptionist.

We received applications from upper school students and they were asked to an interview with Hollie, St Lawrence's receptionist on Thursday.

One student said he had never done an interview before and although it nearly put him off he overcame his nerves, applied for the job and gave a brilliantly relaxed interview.

The successful applicant will be required to be punctual, have good organisational skills and know their way around the school—which can be difficult at the beginning of a year when classes move or change names.

Successful candidates will be announced when all interviews are conducted in next weeks newsletter.

HEALTHY EATING

Thank you to Coop Northgate for donating a selection of Goodness Gang soft toys which were collected by customers in Louth.

We plan to use these as part of a healthy eating project later in the term—details will follow in later newsletters.

HEALTHY MIND

As part of staff and student health and wellbeing we will be publishing the Action for Happiness Calendar on our website each month.

September = Self Care September

UNIFORM

Please label all clothing that comes to school

Full Name

All uniform, coats and bags can then be returned if they are handed in to Lost & Found

Please Note: all children (with the exception of Post 16) are required to wear school uniform. These are available from Tesco's or Nationwide School Uniforms—links to their online shops are available from our school websites under the PARENTS menu.

Second hand uniform can also be bought at a number of our fundraising events throughout the year.
