## COMMUNITY WORKSHOPS

As part of community engagement, we have been learning about who helps us in the community.

Apple and Cherry have been making ambulances to use in role play.

The police came to St L's on Thursday to work with some of our students to become Mini-Police. Nigel and Mel talked through what they do in the community and listened to election speeches of the students who wanted to become mini police.

## JOB ROLE INTERVIEWS

In addition to the Post role mentioned in last weeks newsletter, this week it was the turn of Sandwich Bar and Tuck Shop participants. As part of their interview candidates were asked to make a sandwich.

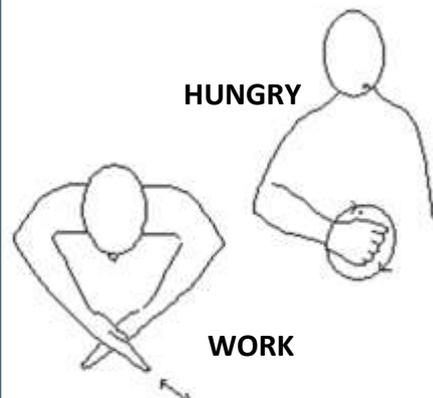

## LIFE SKILLS

Students in Cedar and Birch classes took created dishes as part of their OCR life skills. They all demonstrated how to prepare themselves, prepare the meal and use the oven safely.

## THANKING TRANSPORT

On Tuesday, we were joined by 43 of the drivers and PA's who transport your children to St L's.

This was our chance to say thank you to them for their support but also for them to meet up with each other and be serviced tea and biscuits by our students.

Last year Macmillan raised over £27 million with their **World's Biggest Coffee Morning**. We did our little bit then and we would like to do our little bit this year too.

**Please let us know if you can join us.**

Sweet and savoury donations would also be welcome.

28th SEPTEMBER

**St Lawrence's**  
9.30 to 11am

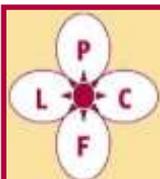

**St Bernard's**

### DO YOU HAVE TIME TO GIVE?

We are looking for keen gardeners with experience of conservation or bakers who can spare an hour or two on a Tuesday or Wednesday to work with our children.

Working at our dedicated plot and the kitchen at LRAC, Kenwick Hill, Louth
