

STARS OF THE WEEK

★ ST BERNARD'S ★

Tommy W—for going home on the bus

★ ST LAWRENCE'S ★

Oliver C—for having a fantastic start to the term and having a great attitude

Stuart T—for showing good behavior and having a go at more and more activities

Courtney R—for making the right choices and working hard

Reece A—for sensible behaviour

ANNUAL SHOE BOX APPEAL

This year our schools are again collecting items to send to less fortunate people abroad and would appreciate your help in creating these. The gift boxes may not always be given as Christmas presents but given throughout the year to many age ranges.

Boxes are supplied by the organising charity but we would be grateful if you could donate any small toys, school supplies, hygiene and cosmetic items and seasonal clothes such as sunglasses, gloves, hair accessories etc.

Thank you so much for what has been given already, you have been very generous with toys but we would like to ask again for toiletries (toothpaste, brushes, soap and flannels) and pens or pads

St Bernard's Deadline for items: 14th November 2018

St Lawrence Deadline for items: 12th November 2018

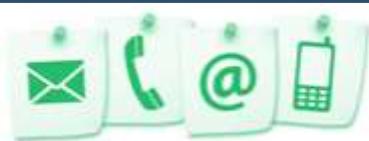

NEW WATER BOTTLES

Last school year 3KC did some research to find out how many plastic cups they were using over the course of the year in school. They wrote letters to Lea Mason to explain the cost and the environmental issues with using these cups.

They then researched and found more sustainable water bottles and

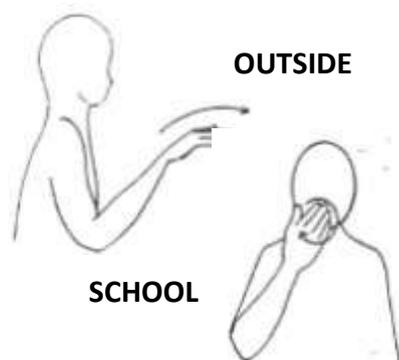

took it to the School Council who agreed we should get water bottles. The water bottles are now in school and have given out to every student across the Federation. Well Done everyone for your recognition of the impact our daily lives have on the environment and finding a solution.

If you change any of your contact details please let us know directly as soon as possible.

This information cannot be shared with other agencies or them with us. So please inform us as well as transport.

BLANK CANVAS

To extend our offer for the OCR students, we have been awarded an allotment from Horncastle Town Council.

As you can see, although we have a garden at St Lawrence and have an area at LRAC in Louth, this will be a great lesson in how to plan a plot, prepare the ground and generally be a great starting point for our budding horticulturalists.

We will bring our every increasing wildlife life knowledge but if you have any gardening experience especially with what we can plant and grow over the winter we would really appreciate some help in this area.

MOOR FARM NATURE RESERVE

Students made their second visit to Moor Farm Nature Reserve near Woodhall Spa as part of an on-going relationship with the Lincolnshire Wildlife Trust. Kevin the warden has been helping students learn the skills necessary to pass C&G accreditation in Horticulture and Conservation. This week they had a safety talk on the use of tools including bow saws, loppers and folding saws; before engaging in coppicing some unwanted tree saplings as part of project to maintain an area of habitat. One student has been so engaged in the

visits they are already planning a future as a volunteer with the trust.

Lincolnshire Parent Carer Forum

Parent carer Coffee meetings

Are you feeling isolated and alone? Do you think you are the only one feeling as though you are not being listened to?

If so join like minded people for a free coffee and a chat hosted by a local LPCF volunteer.
