OPENING OF PARLIAMENT

On Wednesday, St Lawrence had a fantastic morning celebrating the creation of the new School Parliament.

We were joined by local councillors, Dan Turner, Angela Birchall and Fiona Martin as well as Rachel Storer from Victoria Atkin MP's office.

The Parliament explained why they had decided to have ministers for areas and how they reported back the wants of the students to create 'bills'.

The parliament then asked questions to the councillors about why they became councillors, what differences they can make and how people contact them for things to happen in their constituencies.

It was a fantastic morning!

St Bernard's also invited Louth Cllr Sarah Parkin to join their last meeting.

CHILDREN IN NEED

The students looked amazing in their non-uniform - spots galore. The cakes too were great.

Mr Maidens lost a Hangman based bet to Damian so was dressed as the Pink Ranger for the rest of the afternoon. Miss Kidd won the duck race and we also raised money for the Primary School CIN fund by selling Pudsey ears and wrist bands.

VOLUNTEERING AT THE AIRFIELD

Key stage 4 learners who are working towards their C&G's studies visited Woodhall Spa Airfield nature reserve where they helped to remove unwanted tree saplings along the wetland habitat.

The students also learned a bit about badgers after finding evidence of a

badger toilet.

We are so lucky to have such a partnership with Lincolnshire Wildlife Trust.

FROM FARM TO GLASS

For their OCR studies, students visited Ivor's farm and washed down apples after the harvest ready to be made into apple juice.

THANK YOU to St Margaret's Church in Hemingby for their very generous donation of £110 towards our Rural Activities Area.

FOOD SHARE

In our extending partnership with Lincolnshire Co-ops, St Bernard's picked up their first food share parcel.

Food that cannot be sold by the store due to best before date but is perfectly edible is given to local community groups to use. This batch will be used in the kitchen, snacks and life skills

INTER-SCHOOL SPORTS

On Wednesday nine students from St Lawrence took part in an Athletics event at Queen Elizabeth Grammar School in Horncastle.

The event was split into track and field events, which included javelin, standing long jump and team relay races.

All of the students that took part did amazingly well earning the respect and admiration from everyone at the event. Not to brag but we did come 2nd over all too.
