## VISIT FROM POLAND

On Wednesday morning, the Federation were joined by a group of teachers from Elblag in Poland who have come to Lincolnshire to visit a variety of schools to learn about difference aspects of our education system.

They visited St Lawrence to learn about the restorative

processes we use to help students with their behaviour and anxieties.

Presentations were given which is challenging to a group where the majority do not speak English, but they came out with ideas they would like to try when they are back home. They stayed for lunch and had a good talk with our KS4 staff and students.

We hope that we will be successful in our bid for some of our teachers to visit Poland for a similar learning experience.

St Bernard's although not visited by the teachers celebrated the culture day by having a Polish inspired lunch of Baked Cod with tomato, courgette and pepper sauce, Chicken, mushroom and cheese crepe, Cauliflower gratin which were served with honey glazed roasted carrots, mashed potato or pasta. Pudding consisted of Polish gingerbread (Piemik) and Polish apple cake (Szarlotka)

## MATHS DAY

On Friday we are having an optional non-uniform day where students are asked to wear something with a number on it if they can but isn't essential. We are asking for a donation of 50p to raise money for the NSPCC.

Students at St B's are also going to run their own café, including baking their own cakes so please send additional money for the café too. The focus for students will be to take part in lots of maths games and activities too.

## SAFER INTERNET DAY

On Tuesday 5th Feb. we will be celebrating Safer Internet Day with different activities designed to help people be safer in our digital world. Although a fantastic resource, the internet can be a dangerous place and we need to educate our students to be safe.

It's important to be open and honest with young people about staying safe so we will be discussing what you share online, privacy settings, and creating an Internet Safety Plan.

There are a range of resources and activities for parents too on [www.saferinternet.org.uk/safer-internet-day/2019](http://www.saferinternet.org.uk/safer-internet-day/2019) (scroll down to link) and [www.thinkuknow.co.uk](http://www.thinkuknow.co.uk).

## UNIFORM UPDATE

We have received notification that Tesco will Stop it's Uniform Embroidery service on 12th Feb.

The service will continue through MyClothing.com although you will need to set up a new account. MyClothing actually provides Tesco with the service so there is no change in quality of items or service AND they give us a 5% donation.

New links will be put on our website from Saturday 9th February for your ease.

We also offer 'pre-loved' uniform at all of our events which the students wash and prep for sale.

Are you, or someone close to you
