Nicolas—for good speaking in circle time, good writing and taking time out when he needs to

Jaydon—for being very kind and helpful towards friends

Emilie—for working hard in maths

Caleb and Josh—for thinking of others and being a good friend

ECHO CAUSE RESONATES WITH STUDENTS

As mentioned in last week's newsletter, St Lawrence's School Parliament are running a termly raffle to raise funds for ECHO (East Coast Homeless Outreach). At Parliament's last meeting on Monday, they were joined by Margaret and Richard from ECHO to learn more about the charity and the people they help.

ECHO run three weekly street kitchens in Grimsby and Lincoln as well as supporting people in Louth who find themselves in desperate times. They run a van with a makeshift kitchen and emergency store which takes about £300 per month to run, half of that

being for fuel, but it is a vital resource; one we hope our termly raffles will contribute to. The students had a good look through what is provided and discussed how we can help.

LWF on behalf of the School Parliament will be producing some flyers to request donations but as spring comes along and you tidy out your wardrobes and drawers, think about what ECHO could use.

Coats, hats, gloves, socks and other types of clothing. Bedding, sleeping bags, Rucksacks, Tinned or dried food. Flasks. Dog food. Toiletries*.

* A little know fact is that 30% of homeless people are women.

TUCK SHOP SUCCESS

Key Stage 4 student Blaze, has taken full control tuck shop at St Lawrence's, which runs at break times twice a week.

Blaze is in charge of deciding what to sell, going to buy it from local shops and cashing up at the end of each break.

Alongside his stock control he also trains and supports other KS3 and 4 students in running the shop with him.

It is such a success that tuck shop staff purchased some new reading books for the school out of the profits raised.

MATHS DAY FUN

Maths Day on Friday was full of numbers and as is customary at these events, cakes!

14-16 at St Bernard's made a startling array of cakes where the students served class mates and staff.

At St Lawrence 3MM offered an all day café selling breakfasts, snacks, cakes and a range of hot drinks. There were also a selection of games designed by students,

Across the Federation we raised over £90 for NSPCC

MOOR FARM VISIT

Our KS4 Land Based Studies pupils visited Moor Farm Nature Reserve to build on and further develop their skills as part of their C&G qualification, as well as provide a valuable work placement that can become part of their personal vocational profile. This week Kevin, the warden on the site, arranged for them to continue some work begun by another group of volunteers.

Working on the exact spot where Squadron Leader Guy Gibson stood before leaving for his final flight in the Lancaster Bomber, they levelled the land around some trees using rubble found on site and burn off material that had been cut previously. It was a glorious, if slightly nippy, winter day but with some physical work and a fire all the team were kept warm.

BRING A GIFT

Thank you to all the people who attended our coffee mornings at St Lawrence and The Avenue and brought along unwanted Christmas gifts for to use as raffle prizes at future events.

Kevin will be making a return visit to school to work in our own Rural Activities Area helping with the building of our HOP (Happy Outdoor Place) as part of our Lincolnshire Show Challenge entry this year.

to use as raffle prizes at future events.

Buy from online shops via and they donate to our Federation.
